

REMARKS/ARGUMENTS

Favorable reconsideration of this application, as presently amended and in light of the following discussion, is respectfully requested.

Claims 1-4 are pending in the present application, Claims 1 and 3 having been amended. Support for the amendments to Claims 1 and 3 is found, for example, in the specification at page 6, line 19 to page 7, line 3. Thus, no new matter is added.

The amendments to Claims 1 and 3 are for the purpose of correcting a minor misspelling and inserting the word "distribution," which was inadvertently omitted in the Amendment filed June 10, 2005.

Consequently, in light of the above discussion and in view of the present amendment, the present application is believed to be in condition for formal allowance and an early and favorable action to that effect is requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
